Fall, 2020

Dear Donor:

Did you know that donors like you can and **DO** make a difference by providing the opportunity for students to learn leadership skills? These skills are powerful tools to help students stay in school, make good choices and ultimately become self-sufficient.

Founded in 1958, Hugh O'Brian's Youth's (HOBY) mission is to provide lifelong leadership development opportunities that empower individuals to achieve their highest potential. HOBY programs are conducted annually throughout the United States, serving local and international high school students. Due to the support of donors and volunteers, nearly 10,000 students participate in HOBY programs annually. Locally, over 2,000 students have graduated from Nebraska's HOBY program in the last decade.

HOBY is heading back to Concordia University in 2020! **Concordia will be the host site for the 2021 Nebraska HOBY Leadership Seminar from June 4-6, 2021.** These students heard from dynamic speakers, community leaders and panelists regarding topics such as personal leadership, group leadership, civic engagement, entrepreneurship, overcoming adversity and leading in your community. These students also completed several hours of community service by completing *Leadership for Service* (i.e. service learning) projects during the weekend.

You have the opportunity to help high school students learn leadership skills and ultimately make a difference. Please consider joining our efforts to help students achieve their goals by making a financial contribution to the Nebraska HOBY Leadership Seminar. Your gift will help provide support for the annual seminar. Let's show students in Nebraska that we care about their future!

I would love the opportunity to discuss HOBY in more detail, and to find a way that we can partner together to help educate and empower Nebraska's future leaders. Please feel free to contact me at 402-968-5005, or at president@hobynebraska.org with any questions or comments, or if you would like to meet to learn more about HOBY. You can also find out more about Nebraska HOBY at www.hobynebraska.org.

Sincerely,

Bo L. Gebbie

The HOBY Story

In 1958, Mr. O'Brien was privileged to spend nine inspirational days with the great humanitarian and 1952 Nobel Peace Prize Winner Dr. Albert Schweitzer at his clinic in Africa. Dr. Schweitzer's strong belief that "the most important thing in education is to teach young people to think for themselves" impressed O'Brien. Upon his return to the United States, he put Schweitzer's words into action by forming Hugh O'Brien Youth Leadership (HOBY), a non-profit organization. Its format for motivation was simple: bring a select group of high school sophomores with demonstrated leadership abilities together with a group of distinguished leaders in business, education, government, and the professions, and let the two interact. Using a question-and-answer format, the young people selected to attend a HOBY Leadership Seminar held each spring in their state get a realistic look at what it takes to be a true leader, thus better enabling them "to think for themselves."

Today HOBY offers multiple leadership development programs for high school students based on the Social Change Model of Leadership and incorporating community service. Community Leadership Workshops (CLeWs) are held each year locally for freshmen. HOBY State Leadership Seminars for sophomores are held throughout the United States every spring. The World Leadership Congress (WLC) for rising juniors is held each summer in July at a major university in the U.S. and invites students from around the world to participate. HOBY style programs are also conducted in Canada, China, South Korea, Hong Kong, Iraq, Mexico, the Philippines, Taiwan, Turkey, Uganda, and the United Kingdom. The cultural differences that exist between countries of the world are explored in friendship by the American students and their international counterparts when they come together at the WLC. The HOBY experience is truly an inspirational event of a lifetime for student leaders. HOBY boasts more than 500,000 alumni worldwide. Its alumni programs include international tour and service trips for high school and college students.

Each program year, Mr. O'Brien wrote this message to the current year's ambassadors and we pass it on to all of you. "I don't have any children of my own, but I've got a couple of hundred thousand like you out there who I'm proud to call my family. So, shine bright my friends; you are all my tomorrows, and the future is yours to make outstanding!! I wish you love and Godspeed!"
