Dear Counselors and Principals:

Hugh O'Brian Youth Leadership (HOBY) is pleased to announce the **2020-21 HOBY Community Leadership Workshop (CLeW)**, which is a unique leadership opportunity for your freshmen students. A CLeW offers your freshmen students a one-day HOBY-style experience about leadership and community service that connects them with other local high school students and leaders in the community.

Most importantly, CLeWs improve your students' self-confidence and ability to solve difficult issues. We have offered the annual three-day Nebraska HOBY Leadership Seminar for sophomores and we are happy to expand our programming to local freshmen.

Due to the uncertainty around COVID-19, the 2020-21 CLeW programs will be virtual (via Zoom). Our volunteer team is working hard to make this a wonderful, and safe, experience in a virtual format!

There will be two CLeW dates to choose from. Pre-registration for a specific date is required at: <https://hobynebraska.org/clew/upcoming-clew/>. We have loosely divided the dates into segments of the state. But, if another date works better for your student(s), please register them for the date that works best.

- Saturday, December 5, 2020 (Eastern NE students): 9:00 am – 12:00 pm CT
- Saturday, March 27, 2021 (Western NE students): 9:00 am – 12:00 pm CT

There will be no cost to the school or student for the event. The speakers and volunteers will be leaders from our community, and they will conduct sessions designed to encourage participants to think for themselves.

We invite you to select up to three students whom you consider having excellent leadership potential. However, if you wish to select more please let me know. **The CLeW will be limited to the first 50 students who register, so please register your students early!**

To register your students, visit <https://hobynebraska.org/clew/upcoming-clew/>. There is a simple registration that needs to be completed for each student at least one week prior to the CLeW. Once the students are registered, we will email them a confirmation packet one week prior to the event. If you have any questions, please email clew@hobynebraska.org.

Thank you for your support of HOBY!

Sincerely,

Kristie Hartman

Nebraska HOBY Community Leadership Workshop

Register today!

This Community Leadership Workshop (CLeW) is a one-day leadership development program offered by Nebraska HOBY. We are pleased to offer the CLeW to your school in order to reach more of your outstanding freshmen student leaders.

This leadership workshop is not a substitute for the Nebraska HOBY Leadership Seminar for which you may have registered one or more sophomore student leaders to attend. This is an additional program being offered only to freshmen because of your school's interest in having leaders participate in the HOBY program.

We invite up to **three freshmen student** leaders from your school to join other students from the area's schools for this important workshop to be held:

Saturday, December 5, 2020 or Saturday, March 27, 2021

Online via Zoom

9:00 am – 12:00 pm

Cost: No charge

Dress: Casual

The CLeW will focus on leadership skill development and volunteerism. It will bring your students into contact with leaders from the area who will conduct sessions designed to encourage these young people to think for themselves.

We know this is an exceptionally busy time of the year for you, and therefore **only the following limited action is needed on your part to initiate the registration:**

1. Visit www.hobynebraska.org, and click on CLeW. Complete the simple registration form there for each student by at least one week prior to the CLeW date. Please be sure to use the student's email address, so they receive the confirmation information.
2. HOBY will follow-up with each student to provide them an agenda and confirmation packet one week prior to the event.

Please keep in mind; these are limited-registration events. Registration may close early if we reach our planned capacity of 50 students for each date.

Please contact the CLeW team at clew@hobynebraska.org with any questions.
